

On March 24, 2026, a campus interview was successfully conducted at Government Arts and Science College, Thirukattupalli. The event provided a valuable opportunity for students to interact with recruiters and showcase their skills and talents. Many students actively participated in the selection process, which included various rounds such as aptitude tests, group discussions, and personal interviews. The campus drive helped students gain real-world exposure to recruitment procedures and boosted their confidence in facing professional challenges. Overall, the event was well-organized and proved to be a beneficial experience for all participants.
